# AUXILIARY MEMBERSHIP

The Pinnacle Health Auxiliary has a 130-year history and has contributed over \$4 million to UPMC Pinnacle in programs and services aimed to address the needs of our community. What began with 47 women supporting Harrisburg Hospital, the Auxiliary has grown to a network of nearly 400 women and men.

## Why join?

Our goal is to strengthen our health care system further and promote wellness in the region. By joining, you can be part of a long and successful tradition of giving back to the community as a volunteer and/or to provide financial support. The Auxiliary's tremendous success is accomplished through leadership, dedication, and teamwork, and none of this can happen without YOU!

## Benefits of Membership

As an Auxiliary member, you will receive regular communication on important programs addressing the needs of patients, medical professionals, and staff. Members receive invitations to membership meetings and educational programs designed to engage members and encourage collaboration with others.
